

# FOREST GROVE CONCOURS D'ELEGANCE

## Vehicle Registration for 2016

Sunday, July 17, 2016

- Cars are to be in "Stock" condition. All race cars need to be period correct with the following notable exceptions: reasonable modifications are permitted for safety and drivability (e.g. seat belts, turn signals, brake lights and other safety features).
- Please include 4 photos of your car (photos cannot be returned). Entries without photos will NOT be considered. Previous year entries must submit **new** photos.
- If you are unsure of the class, please leave that portion of the form blank and the selection committee will inform you of your appropriate class.
- The Rotary club reserves the right to limit the number of entries accepted due to space limitations and judging restrictions. The Registration Committee will review all entries prior to acceptance to ensure Concours or show quality. Also, the Judging Committee reserves the right to add, delete, or combine classes as appropriate. Cars entered for Concours judging will be judged for authenticity, preparation, and elegance. Rods and custom cars will be judged for style and finish. **Judging results are final and will not be released to car owners.**
